MEET KELVIN SMITH
ATTORNEY-AT-LAW

He's an approachable, fun-loving guy who helps people with serious problems. Kelvin Smith is a general legal practitioner specializing in three areas of law: civil litigation; criminal defense; and family law.

In the civil area, he represents clients who are suing for monetary damages. Wrongful death, catastrophic injury, auto accidents, and product liability cases fit in this category.

For clients facing jail time, Kelvin defends them against criminal charges. People accused of criminal traffic violations often seek his help.

Wills and estates, child custody, and simple divorce are part and parcel of Kelvin's family law practice. Sometimes a family will come to meet with him in our conference room to settle an estate or talk about a will. Kelvin's comfortable, stylish office on the mezzanine level, tucked away beside the conference room, is well placed for private conversations when he has just one or two clients.

Kelvin says he has settled into the building for the long term, and he is helping several tenants here with legal issues. Contract drafting and reviewing and small business litigation are among the services Kelvin offers.

Over a long Mother's Day weekend, Kelvin took a break to spend time with his family. He came back with a big smile and some sand still between his toes, but now he is back to his busy case schedule.

Kelvin welcomes new clients. Here are the best ways to reach him: by phone at 336) 508-5457; or by e-mail at kelvinsmith1028@gmail.com.

PARKING LOT ALERT

Saturday, May 20th is Line Striping Day in our parking lot. A team from Yellow Dawg of The Triad will be painting parking space lines in the lot starting at 8:30 a.m. After the striping is finished, drying time will be necessary.

Plan on using street parking on May 20. No vehicles will be allowed in the lot until the paint lines are dry.

At a later date, a yellow wheel stop will be installed at each parking space. Installations will be after business hours.
